Host Appraisal Fair That Will Air on National Cable Television**

Phoenix, AZ. February 12, 2010 – [Phoenix appraisal company](#), Auction Systems Auctioneers & Appraiser, Inc. will host a free appraisal fair on Tuesday, February 23, 2010

Auction Systems invites the public to participate in the filming of this free appraisal fair which will air on national cable television. Much like the highly popular Antiques Road Show, this appraisal fair will allow the public to bring in their valuables and receive free appraisals from highly accredited appraisers and offer them the opportunity to appear on national television.

“Auction Systems is very excited to provide the public with the opportunity to discover the value of their treasures from certified appraisers and appear on national television,” said Deb Weidenhamer, CEO of Auction Systems. “Fans of Antique Road Show will be very familiar with the format. This is a great opportunity for fans of the show to participate or for individuals who are interested in receiving complimentary appraisals.”

Individuals are invited to bring their treasures for complimentary, verbal appraisals provided by certified experts of jewelry, firearms, artwork, timepieces, antiques, furniture and more. There is a limit of two verbal appraisals per registered attendee.

This appraisal fair will be held on Tuesday, February 23, 2010, from 3:00 P.M to 8:00 P.M. at Auction Systems at 951 W. Watkins in Phoenix, AZ. For more information on this appraisal fair and the other events hosted by Auction Systems, visit www.auctionandappraise.com.
