Phoenix, AZ. March 31, 2010 – Live [fast cash auctions](#) will be hosted weekly by Auction Systems Auctioneers & Appraisers, Inc. starting May 3, 2010.

These fast cash auctions will be a kick back to auctions of the past. They will offer individuals the opportunity to bring in items on the day of the auction, have them previewed by interested buyers and receive payment for items sold on the same day.

“Auction Systems is very excited to begin our live fast cash auctions,” said Deb Weidenhamer, CEO of Auction Systems Auctioneers & Appraisers, Inc. “They will provide individuals, who are looking to make some quick cash, the opportunity to have their valuables presented to a diverse group of interested buyers and receive the highest dollar for their item or items on the same day.”

Participants will simply have to choose an auction date and bring in their items. These items will then be available to be previewed by Auction Systems’ diverse group of buyers.
